

## **Union Health Minister Shri JP Nadda inaugurates Narayana Health's first Superspeciality hospital in Gurugram**

**Gurugram, 23<sup>rd</sup> April 2018:** Narayana Health, India's leading healthcare services provider, inaugurated Narayana Superspeciality Hospital, Gurugram - their first hospital in Gurugram, reaffirming their resolve to strengthen the presence in Delhi-NCR region. Narayana Superspeciality Hospital, Gurugram, nestled close to Ambience Mall, DLF Cybercity and Delhi Jaipur Highway, is a multi-speciality hospital with world class medical facilities catering to needs of Delhi-NCR, Haryana, Rajasthan, UP and MP, amongst others.

Shri J P Nadda, Hon. Union Minister of Health and Family Welfare, inaugurated Narayana Superspeciality Hospital, Gurugram, in the presence of Dr. Devi Prasad Shetty (Chairman, Executive Director, Narayana Health), Dr. Ashutosh Raghuvanshi (Vice Chairman, MD and Group CEO, Narayana Health), along with other esteemed dignitaries including, Shri Rao Narbir Singh (Hon'ble Minister PWD, Govt. of Haryana).

Narayana Superspeciality Hospital, Gurugram, has 211 operational beds with world class intensive care units. The hospital comprises of 6 modular operation theatres with advanced critical care and dialysis units and has 24x7 Trauma Care & Pharmacy Services and 24x7 Radiology Services ,with 128 Slice CT Scan, 3.0 Tesla MRI. It has two State-of-the-art Cath Labs with Rota and IVUS facilities, and also has fully equipped laboratory medicine and Blood Bank facilities. It is supported by a Well-equipped Physiotherapy & Rehabilitation department and has Round-the-Clock Critical Care Ambulance services.

**Dr. Ashutosh Raghuvanshi, Vice Chairman, MD and Group CEO, Narayana Health,** said, *"This is a very proud moment for Narayana Health to launch our first superspeciality hospital in Gurugram. The launch of this hospital in Gurugram is in line with our group's vision to strengthen our regional presence in Northern India. We have enabled and incorporated every possible stream of clinical speciality here at the heart of Delhi-Gurugram region. Since the hospital is on the national highway, it will also cater to emergency cases 24 X 7. Featuring experienced medical professionals and the latest in medical infrastructure, the hospital represents Narayana Health's commitment to quality medical care and patient service."*

Narayana Superspeciality Hospital, Gurugram, has been built from the ground-up to be a state-of-the-art facility; with expertly planned and well-equipped sections, including spacious OPD areas and comfortable patient rooms which allow the hospital to cater to both In-Patients and Out-Patients in equal measure. The world-class medical equipment and infrastructure at the hospital ensures that it can provide a wide range of treatments; from complex to routine, and from paediatric to adult, ably supported by a state of art radiology unit with MRI, CT scan and Ultrasound services.

Location-wise the facility has several advantages: It is the closest superspeciality hospital from Indira Gandhi International Airport; It has excellent connectivity via Metro and Highway to Gurugram and

Delhi; It is the nearest superspeciality hospital from DLF Cyber City; and it is close to major residential areas in Gurugram.

The hospital has a cafeteria and provides accommodation facilities for patient visitors and care givers who may be required to stay at the premises till the patient's recovery process.

Apart from treatment and regular medical processes, the hospital will also provide regular preventive healthcare facilities, medical check-ups and awareness camps from time to time for the residents of Gurugram.

Narayana Superspeciality Hospital, Gurugram has more than 30 streams of clinical specialities of which Cardiac Sciences, Orthopaedics, Neurosciences, Nephrology, Urology, Gastroenterology and Oncology, will be centres of excellence offering tertiary care services with 24-hour laboratory, critical care and emergency.
